

The Legal 500 & The In-House Lawyer
Comparative Legal Guide
Employment & Labour Law

The aim of this guide is to provide its readers with a pragmatic overview of the law and practice of employment and labour law across a variety of jurisdictions.

Each chapter of this guide provides information about the current issues affecting employment and labour in a particular country and addresses topics such as the **termination of employment, procedures, protection for workers, compensation** as well as insight and opinion on the most common difficulties employers face and any upcoming legal changes planned for their respective country.

The Q&A template for each chapter has been provided by [Nicola Rabson](#) of [Linklaters](#).

Each chapter has been written exclusively by firms ranked within [The Legal 500](#).
