

The Legal 500 & The In-House Lawyer  
Comparative Legal Guide  
Mergers & Acquisitions

The aim of this guide is to provide its readers with a pragmatic overview of Merger & Acquisitions laws and regulations across a variety of jurisdictions.

Each chapter of this guide provides information about market sectors, regulatory authorities, due diligence, deal protection, public disclosure, governing law, director duties and key influencing factors influencing M&A activity over the next two years.

The Q&A template for each chapter has been provided by **Ben Higson & David Harrison** of [Hogan Lovells](#). Each chapter has been written exclusively by firms ranked within [The Legal 500](#).
